OPTIONS & ACCESSORIES

- Built-in Detergent Pump
- Drain Water Tempering Kit (Mounted)
- Water Softener
- Right or Left Hand Hinge
- Flanged Feet
- Hotel Pan Rack Insert
- Mobile Rack Table
- Pressure Reducing Valve (Unmounted)
- Shock Arrestor Cold Water (Mounted)
- Shock Arrestor DWT (Unmounted)

STANDARD FEATURES

- **Energy Star Certified**
- **High Efficiency 4 HP High Pressure Wash Pump**
- **15kW Wash Tank Heater for rapid pre-heating**
- **11 Sheetpan Capacity**
- **Machine Cold Water Feed**
negates the need for machine hot water supply and reduces overall energy consumption
- **34" Extended Hood Clearance**
- **Ventless Heat Recovery**
- **Advanced Touchscreen Display**
intuitive condition alerts, with multi-lingual user-friendly cleaning and operational guidance
- **Enhanced Visual On-Board Diagnostics**
quickly identify machine faults for rapid resolution and less downtime
- **Energy Saving Programmable Sleep Mode**
heaters power down after user determined period of inactivity
- **15 Racks Per Hour (maximum)**
- **1.1 Gallons Per Rack**
- **Door Interlock**
ensures maximum energy recovery and limits condensate from entering the room
- **Automated Delime Function**
customizable alert intervals based on site water quality
- **Auto Start**
machine automatically starts selected wash cycle when door is closed
- **Automatic Drain Valve**
heavy duty, gear driven full port ball valve stainless construction
- **Detergent Signal Provided**
- **Three User Selectable Wash Cycles**
users can select 2, 4, and 6 minute wash cycles depending on soil load
- **Cycle Counter**
records number of cycles machine has run since installation
- **Spray Gun for Pre-Scraping Wares**
for convenience, can be mounted on either left or right side of machine (hot water recommended)
- **Debossed Wash Arm Nozzles**
prevent soil buildup from clogging the wash arms and reducing performance
- **Racks (Flat, Sheetpan insert)**
- **Rinse Sentry**
built-in booster configured to ensure 180° rinse
- **Hold Down Grid**

SPECIFIER STATEMENT

Specified unit will be Champion Industries Model PP-11 Pro VHR Pot, Pan, and Utensil washer. Features insulated swing door design with high efficiency 4 HP high pressure wash pump, 15kW wash tank heater for rapid warmup, 11 sheetpan capacity, and cold water feed (negates need for machine hot water supply and reduces overall energy consumption).

1 year parts and labor warranty.
